EVENT SUMMARY

Dear Colleagues,

On behalf of the scientific and organizing committees, we extend our deepest appreciation to all the distinguished speakers, participants, sponsors, and supporting organizations who made significant contributions to the resounding success of the "International Conference on Hemophilia and Rare Bleeding Disorders." This exceptional event, held in partnership with the World Federation of Hemophilia, took place on 7-8 October 2023 at the Grand Hyatt Hotel in Abu Dhabi, UAE.

The conference served as a platform for presenting the latest advancements, exchanging cutting-edge scientific research, and discussing the newest clinical applications aimed at enhancing the care and treatment of patients with Hemophilia and rare bleeding disorders in the UAE and the surrounding region.

Our program brought together renowned experts in the field who shared their expertise and insights on the latest developments in Hemophilia and rare bleeding disorders. With the participation of 43 world-class speakers and specialists, the conference offered an unparalleled opportunity to gain inspiration and knowledge from the forefront of research and treatment approaches.

Throughout the two-day event, a wealth of expertise was shared, and a unified effort and vision emerged to elevate the quality of care for Hemophilia and Rare Bleeding Disorders to unprecedented levels. The speakers provided comprehensive, research-based answers to common questions, along with discussions on global and regional challenges in Hemophilia and Rare Bleeding Disorders, accompanied by potential solutions.

The conference provided a superb opportunity for Pediatricians, Pediatric Subspecialists, Pediatric Trainees, Residents & Fellows, Family Physicians, General Practitioners, Emergency Medicine Physicians, Dietitians, Pharmacists, and Specialist Nurses from around the world to benefit from expert updates and practical learning on best practices in managing Hemophilia and Rare Bleeding Disorders.

We express our heartfelt gratitude to the World Federation of Hemophilia and the National Hemophilia Foundation for endorsing this congress and sharing their vast knowledge and expertise in this crucial gathering. Your invaluable insights and contributions greatly enriched the 1st edition of the International Conference on Hemophilia and Rare Bleeding Disorders.

We extend our gratitude to all the speakers for their time, dedication, and efforts in sharing their knowledge and expertise. We would also like to acknowledge the contributions that have been made by all the members of the scientific and organizing committees who meticulously curated the content and ensured the scientific program's richness. Your commitment and hard work have been rewarded with positive feedback from both delegates and speakers.

We deeply appreciate the support we received from our sponsors, as well as from the Department of Culture and Tourism and the Convention and Exhibition Bureau. Your contributions played a crucial role in making this conference a resounding success. We would like to extend our gratitude to MENA Conference for their professionalism and for their instrumental role in organizing the event.

Finally, to all the attendees, we extend our sincere thanks for your gracious presence and for being an integral part of our conference. We are delighted that the International Conference on Hemophilia and Rare Bleeding Disorders provided a unique platform for the exchange of ideas, experiences, and knowledge in this important field. It was our great honor to deliver a high-quality educational program to all participants.

Once again, we express our heartfelt appreciation and look forward to welcoming you back to our beautiful city of Abu Dhabi in October 2025.

Warmest regards,

TESTIMONIALS

One of the most successful conferences I attended, regarding program, organization, and speakers. Thank You
Dr. Sayed Sabbagh, ICU Specialist. SKMC, Abu Dhabi

It was really useful because I'm a medical student and I took a whole knowledge about the topic which I study at the current modules, I've learned how important is to have variety of skills away than the academics
Dr. Malaz Mokhtar, ASU medicine

It was a wonderfully organized event with a large learning platform

Dr. Prasanta Choudhuri, GP, Zayed Military Hospital

It was one of the best conferences that I have ever attended, thank you for amazing organization

Dr. Nasim Dalilhoush, Doctor & Dubai Hospital

See you again next conference. Comprehensive presentations and great speakers

Jocelyn Tabil, Staff Nurse, SKMC

It was very informative topics, discussing the most recent data and researches

Dr. Sara Rawahi, Doctor

I really liked the information provided by all doctors across all regions, and all the drugs in their different stages for testing are important, and I liked the organization of the conference

Dr. Alhasan Fikri, 5th year Medical Student at Ajman University

It was very beneficial and informative and included a new approach on the ways to manage blood related disorders across hospital practices

Dr. Mariam Eltabbakh, Burjeel Hospital,

Had a wonderful experience with different consultant around the world presenting interesting cases and way of management

Dr. Mohammad Khan, Medical practitioner Internal Medicine

the conference was well organized, met new people from other countries, brought hope to the patients with all those new info

Alya Huwail, RN - SKMC

Informative and educations; as well as providing a chance to socialize and get to know people in the field.

Dr. Ahmed Mahboub, Pediatric Resident, Tawam Hospital

A well organised conference with great discussion pertinent to my practice.

Dr. Richard Sebuwufu, Consultant Physician in ED, Tawam Hospital, Al Ain

It was nice presentation, arrangement of time with speakers, conference venue, and overall new research based approach.

Dr. Usman Ghani, Family physician. Police clinic

Excellent portal for knowledge and learning with mutual interactions with great professionals

Dr. Aqeel Durrani, PMS RAK

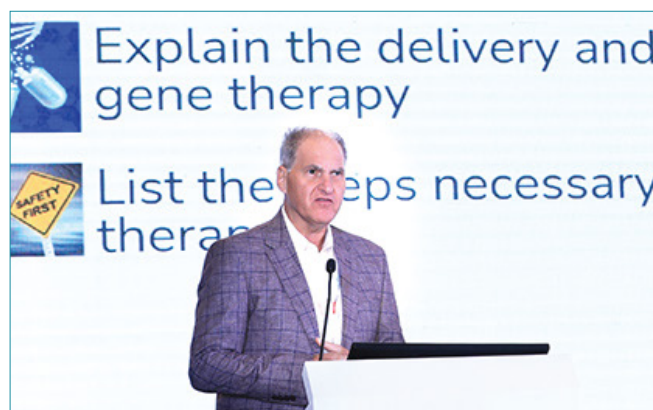

The meeting was very organized and the lectures topics covered most of the practical topics

Dr. Mostafa Abdelfattah Ali Elhabal, Pharmacist

Thanks alot for your excellent preparation really got alot of benifets that may change my practice

Dr. Mohammed Thabbahi, Ministry of health
