Welcome Note

Dear Colleagues,

We are delighted to extend our warmest invitation to the **3rd International Conference on Hemophilia and Rare Bleeding Disorders**, held in partnership with the **World Federation of Hemophilia**. The conference will take place on October 5-6, 2024, at Grand Hyatt Hotel in Abu Dhabi, UAE.

This conference serves as a platform to present the latest advancements, exchange cutting-edge scientific knowledge, and discuss the newest clinical applications aimed at improving the care and treatment of patients with Hemophilia and rare bleeding disorders in the UAE and the broader region. The scientific committee has meticulously developed a comprehensive two-day program that focuses on the current challenges and clinical developments in Hemophilia and rare bleeding disorders.

We have gathered a distinguished panel of leading experts in the field who have brought forth groundbreaking science and best practices to address the pressing issue of Hemophilia and Bleeding Disorders. Their expertise will provide valuable insights and foster meaningful discussions throughout the conference.

The event not only offers exceptional educational opportunities but also serves as a platform for networking and interaction with colleagues and experts in the field. Our Scientific Program comprises a diverse selection of educational sessions, featuring cutting-edge presentations, keynote lectures, case presentations, debates, special panel discussions, and lively interactions with industry leaders and experts in hemophilia and bleeding disorders.

We have designed this international conference on hemophilia and rare bleeding disorders with an interdisciplinary approach, providing you with a unique opportunity to connect with peers from academia and industry and establish a robust scientific network. The program is structured to provide extensive exposure to our attendees, ensuring a blend of expertise, researchers, professionals, scientists, and young scholars.

This meeting promises to offer the highest scientific and educational opportunities, while also serving as an ideal networking platform with national and international participants, facilitating the expansion of existing connections and the creation of new ones.

We eagerly anticipate the October 2024 gathering, which will undoubtedly provide a remarkable experience for all attendees, with a focus on discovering the latest knowledge and innovations in the field of hemophilia and rare bleeding disorders.

We look forward to hosting you at the conference.
